

System Usability Scale

Participant # _____

		strongly disagree	1	2	3	4	5	strongly agree
1	I think that I would like to use this system frequently.							
2	I found the system unnecessarily complex.							
3	I thought the system was easy to use.							
4	I think that I would need the support of a technical person to be able to use this system.							
5	I found the various functions in this system were well integrated.							
6	I thought there was too much inconsistency in this system.							
7	I would imagine that most people would learn to use this system very quickly.							
8	I found the system very cumbersome to use.							
9	I felt very confident using the system.							
10	I needed to learn a lot of things before I could get going with this system.

Consent Form

I agree to participate in the study conducted and recorded by _____.

I agree to:

- The session being audio/video-recorded (cross out as appropriate)
- The use of photographs and video recordings for the purpose of documenting the findings from this study

I understand that the information collected in this study is for research purposes only and that my name and image will not be used for any other purpose. I relinquish any rights to the recording.

I understand that participation in this usability study is voluntary and I agree to immediately raise any concerns or areas of discomfort during the session with the study administrator.

I confirm that I have read and understand the information on this form and that any questions I might have about the session have been answered.
